This MoU is drawn up and agreed upon to establish the cooperation between **Loknete Gopinathji Munde Institute of Engineering Education & Research** and **Salunke Automation PVT.Ltd., L-24, MIDC, Ambad, Nashik-422010** to bridge the divide that exists between industry and academia in the skill ecosystem and provide Skilling support to the youth to enhance their employability.

## [1] BACKGROUND AND PURPOSE OF PARTIES INVOLVED

**Loknete Gopinathji Munde Institute of Engineering Education & Research** is located at Canada Corner, Sharanpur Road, Nashik-422002. Being the brainchild of its visionary founder, LoGMIEER established in 2011, managed to craft a niche position for being a one-of-its-kind undertaking that focuses on value-based education. LoGMIEER conducts Degree and Diploma courses in Engineering. LoGMIEER presently has specialization in Civil, Computer, Electrical, E&TC, Mechanical and Artificial Intelligence Engineering with intake capacity of 300 students per year. Contributing towards the industrial, economic, and social growth of the society for over a quarter of a century, Loknete Gopinathji Munde Institute of Engineering Education & Research has helped realize the dreams and aspirations of thousands of students.

**Salunke Automation PVT.Ltd.** was established in 2006. Salunke Automation Private Limited (previously incorporated as Salunke Industries) has been into the business of providing complete electrical and drives & automation solutions for last 15 years. Established in 2006, Salunke Automation has shown remarkable growth rate by providing the best quality products and a very committed after sales service. The machines and systems in industrial processes have to be adapted to the different requirements. Salunke Automation supports customer-specific projects with state-of-the-art automation and drive system solutions. These cover the requirements of numerous applications. We design reliable automation, drive and safety technology solutions together with well-known manufacturers on the basis of the product range of pump systems and high-pressure solutions. Customers receive tailor-made, economical and user-friendly complete solutions. Salunke Automation has always believed in setting standards and then surpassing them, thus to provide pioneering services in our field of excellence. As of now we have more than 1500 installations functional in India and various other countries. Salunke Automation, based in Nashik, India is a Private Limited Company and is the leading vendor company of Siemens Ltd, as a manufacturer of all types of controls panels (AC/DC drives IPLC & Relay interfacing modules). The areas of operation of Salunke Automation include manufacturing Analog DC drives, value engineered solutions for various

industrial process applications, LT & HT Panels, System Control Panels, Transformer installations, Electrical Consulting for large processes.
