STTP On “Electrical Technician: Solar PV Installation & Testing”

A.Y. (2026-27) Sem-I

Name of Training Center	BOSCH Technical Skills-Electrical Nashik.
Type of Industry	Training Center
Address of Training Center	BOSCH India Foundation Training Center Gangapur Road near KBT Circle Nashik.
Day & Date of STTP	31 st August 2026 to 4 th September 2026
Class	Third Year.
No. of participants	30
Name of the resource person with contact no.	1. Mr.Nilesh Khalkar. Contact No. 7588710553 2. Mrs. Ulka Mhaske Contact No. 8600790795
Outcome of Training	Safely install PV modules . Carry out DC/AC wiring and connections. Perform basic electrical measurements and testing. Identify common installation faults. Carry out basic PV system commissioning. Follow electrical and Solar PV safety procedures. Introduce to Software for Solar PV installation.
PSO-PO Mapping	PSO1, PSO3, PO1,PO5,PO6,PO7
Faculty accompanied	Prof. P.S.Londhe , Prof.S.B. Bodke, Prof.P.S.Jadhav, Prof . A.R.Katkade

Prof.P.S. Londhe
STTP Coordinator

Prof. M. A. Majge
HOD-Electrical

Prof. Dr. K.V. Chandratre
Principal
